P.C.

1. This is an application for speaking to the minutes of my order dated 5.4.2006. My order was based upon the minutes signed and tendered by the parties. The respondent No.2 has admitted his signatures on the guarantee deed and this was recorded in the Minutes of Order. Now he contends that some of his admitted signatures are not genuine. Such a plea in respect of signatures which were already admitted cannot be entertained. Hence, application is rejected.
